Rev. Tony Sayer
Abernethy United Methodist Church
1418 Patton Avenue
Asheville, NC 28806

Dear Friends at Abernethy UMC,

This week we received your donation of \$635.00. We will apply your gift toward the 19th United Methodist House. We are grateful for Abernethy's generous support of Asheville Area Habitat's work, and we're proud to count you among our community partners in mission.

The Methodist House is coming right along. On August 14th we completed the volunteer component of the build and made way for the sub-contractors to come in and work their magic.

Thomas Lingerfelt and Sonya Early, your partner family and the homeowners-to-be, say they can't wait to become first-time homeowners. Sonya has put in most of her sweat equity hours on the construction site, and says she has enjoyed every minute of it. She has particularly loved working on her own house, and getting to know it "down to the bones."

We thank all of you at Abernethy UMC for your financial contributions, your prayers, and your volunteer work on the 19th United Methodist House. Together we are bringing another family home.

Gratefully,

A handwritten signature in blue ink that reads "Betsy".
